

Notes:

(7) Each year the ALD publishes a Yearbook, with a directory of members and their contact details (but not addresses). If you wish we can also include a brief entry showing your recent credits or the kind of work you are interested in. Please keep entries short and concise. The information will also be included on the ALD web site in the Members' area.

(8) Give your agent details if you want them included in the Yearbook.

(9) Paying by standing order helps reduce our administrative costs and is preferred. Please use the separate form. Do not send cash by post. All payments must be in Pounds sterling or Euros.

If you live outside the UK please ask for more information about other payment methods.

(10) Membership fees per year:

Professional	£50	+ £10 *
Associate	£30	+ £10 *
Corporate	£400	
Student	£20	

* A joining fee of £10 for professional and associate members is applicable. Students and Corporate members pay no joining fee.

How to work out your initial payment.

a) If you are joining between April 1st and August 31st your first payment is the full year subscription, plus the joining fee where relevant (see above). Your next subscription will be due next April.

b) If you are joining between September 1st and December 31st your first payment is half the normal subscription plus the joining fee where relevant (see above). Your next subscription is due next April.

c) If you are joining between January 1st and March 31st your payment is the full year subscription plus the joining fee where relevant (see above). Your next subscription will not be due until April the following year.

Important Note

In order to avoid confusion for both the association and potential employers, we have adopted the Equity practice of ensuring that members must join with a unique name. If we already have a member with the name you have applied in we will contact you to discuss the options.

Please tick if you would prefer **NOT** to be in the yearbook and the members' web site listings

Yearbook

Web

Many of our Corporate members would like to let you know about special events and promotions that they have organised. They are given the opportunity to mail our membership with information about these events and other products and services by both post and email. Email addresses are kept by the ALD office and not given to corporate members.

The Association also sends news and meetings via email.

We ask our corporate members to not abuse the use of the mailing list of our members, but if you feel that the amount of mail received is excessive, please inform the office and will remove your name from the list.

Please tick boxes if you **DO NOT** wish to be sent information.
